Once you have reviewed the planner, please sign this page at the bottom, tear it out, and have your child return it to his/her 6th period teacher.

Failure to sign and return this signature page does not exclude your child from adherence to the policies and expectations contained within.

I have reviewed the student planner with my child. I understand that my signature does not necessarily indicate that I agree with its contents.

ATTENDANCE

Regular attendance in all classes is an expectation of all Gorzycki MS students. State law and District policy state that students must be in attendance for 90% of the instructional days for a class to receive credit. A student who misses more days than allowed by AISD policy, excused or unexcused, may not be given credit for that class unless time and/or work is made up for the absences. Students will work with the grade level administrator to complete the appropriate steps to reach compliance.

Absences exempt from 90% rule:

- **School field trips**
- **UIL activities and events**
- **Other school related events**
- **Documented medical appointments**

When returning to school after an absence for any reason, a student must submit a note to the attendance clerk in the front office, signed by the parent or doctor, describing the reason for the absence. All notes for absences must be submitted within 48 hours of the student's return to school in order for the absence to be excused. Failure to submit notes in this time frame will result in the absence remaining unexcused in the student's attendance record.

Any notes signed by the student even with the parent's permission will be considered a forgery and the student will be disciplined.

Illness: A student with a fever of 100.0 must be sent home and cannot return to school until the student has been fever free for 24 hours without the use of fever reducing medication. If a student has been absent because of illness, a signed note from the parent stating that the student was ill must be turned in. **If a student has been out more than 5 days**

because of illness the parent note must be accompanied by a doctor's note/receipt, in order for the extra days to be excused.

Additionally, the school will accept up to 5 parent notes for illnesses during the course of the school year. After 5 parent notes, the student will be required to submit a doctor's note for any other illnesses (regardless of the number of days out) for the remainder of the school year in order for the absences to be excused.

Medical Appointment: When returning from a medical appointment, a signed note from the doctor is required. This ensures that the school receives funding from the state of Texas for the student when he/she was absent. In order for the school to receive this funding, the student must have attended school for part of the day on the day of the appointment.

Family Emergencies: We all have family situations that arise and Gorzycki Middle School is sensitive to that. Please clearly explain the nature of your family emergency in order for the absence to be excused. Excusing absences for family emergencies will be decided on a case by case basis with the final decision made by administration.

Funerals and Weddings: Students will be excused up to two consecutive school days for family weddings and funerals. We realize that sometimes travel for these special events will keep a student out longer, and extra days for absences will occur. Again, the administration will determine whether any extra days required for attending a family funeral or wedding will be excused.

Family Vacations and Out of Town Trips: School days missed due to family vacations, out of town trips, taking extra days to extend the weekend and time taken off for non-AISD extracurricular activities will not be excused.

Notification of absences: An automated phone message or email will be sent to the primary contact of any student who is given an absence on the day the absence is recorded. On the third and tenth absence the district's central office automatically mails a letter to the residence of the parent of the student. 10 or more unexcused absences may result in the campus pursuing legal action. For more information on attendance requirements, visit the district website at

<https://www.austinisd.org/everydaycounts/compulsory-attendance>.

Permit to Leave School Early or For Doctor or Dental Appointments during School Day:

When it is necessary to leave school, the student must have **written permission** from a parent or guardian.

1. **The student must bring a written note to the Commons, where a staff member writes permits, prior to 8:15 a.m.; after 8:15 come to the front office.**
2. The note must include the student's first and last name and student ID. Write the specific time (not class period) the student is needed in the front office and the reason for the student leaving early.
3. The student will take the pink permit to the appropriate teacher when it is time to leave. That teacher will allow the student to go to the front office for parent pick up.
4. A parent must sign the student out at the office before leaving campus. No phone requests for early dismissal.
5. **When returning to campus the same day,** the student should have a signed doctor's note or a note from the parent that needs to be taken to the front office before returning to class.
The front office will sign the pink permit for the student to return to class. A parent does not have to accompany the student into the building when returning from an appointment.
6. **When returning to campus the following day,** drop off the signed doctor or parent note in the front office.
7. Students needing an elevator pass for medical reasons need to submit a request from the parent in writing along with documentation from the doctor.

TARDY PERMITS

- **Tardy to School:** After 8:25 a.m., a student is late to school and a tardy permit must be obtained from an office staff member prior to going to class. A note signed by a parent or guardian stating the date, time of arrival, and the reason for the tardy should be presented.
- **Tardy to Class:** A student is tardy if not in the proper room when the bell rings. The individual student's team of teachers will decide upon the consequences for class tardies. Multiple tardies will result in a discipline referral.

Make-up Work: It is the student's responsibility to make arrangements with the teachers for make-up work following an absence. **The parent**

may make arrangements to pick up the work if the student is out for three or more consecutive days. (Students may check teacher websites for assignments as well.) Parents may call the Attendance Clerk at 841-8607 by 9:00 am on the third day of absences to make arrangements to pick up homework for their child. An e-mail will be sent to the child's teachers requesting homework. Parents may pick up the homework the following day, **the fourth day**, between the hours of 9:00 a.m. and 4:00 p.m. in the front office

GENERAL SCHOOL POLICIES

Arrival and Dismissal: School hours are from **7:50 a.m. to 3:50 p.m.** Students must be supervised in the building outside of school hours. Students who stay for an activity/tutoring session should remain in their designated area with the Gorzycki staff member/designee in charge of the after school activity.

After 4:00, any student remaining in the building will need to be escorted out of the building by a Gorzycki staff member/designee in charge of the activity. **Parents should pick up their student within 10 minutes of a given activity ending time.** Failure to be picked up in a timely manner may result in restrictions from after-school activities.

Closed Campus Policy:

Once students are on school grounds they are the responsibility of the school and must remain on campus. No student is to leave campus alone before dismissal unless prior written permission from the parent has been provided to the office. Any student leaving campus without permission will be counted as truant and subject to disciplinary action.

In order to assist students with self-responsibility and to keep classroom disruptions to a minimum, there will be no deliveries made to students during the school day.

Birthday and Holiday Procedures: Delivery of birthday or holiday items to students during the school day is not permitted. This includes: flowers, balloons, candy, stuffed animals, etc.

Usage of Commons Area:

The Commons is a social gathering place for students before school and during lunch. When students are in the Commons area they are expected to conduct themselves as follows:

1. Students are to use the furniture as it is intended to be used.
2. Students will sit appropriately in chairs and at tables with feet on the floor.
3. Food and drinks are not allowed in the Commons area except at designated times.

ACADEMIC INFORMATION

Academic Integrity: All students are expected to strive to learn the subjects they are being taught during their time at Gorzycki. The material learned in middle school builds the foundation that will carry the students into future academic endeavors. Therefore, it is of utmost importance that students do their own work, give credit to those whose work they have used on a paper or project, and have the integrity to learn material and study for tests and quizzes so that they are prepared. Students who are dishonest should expect consequences. Forgery is considered academic dishonesty and will be handled accordingly.

Plagiarism: Is taking credit for another person's work or ideas and passing them off as if they are one's own. A common infraction is cutting and pasting text from a website into a document without giving credit to the author. Plagiarizing copyrighted material is illegal.

Cheating/Copying: Getting answers from another student or giving answers to another student on homework, tests, quizzes, or any other assignments is unethical and is considered cheating. A common infraction is borrowing and copying the answers to homework assignments from another student. Both students are considered to be cheating in this situation. Another example is using any type of electronic device to get answers from websites or using text messages to send answers to other students.

Consequences for Plagiarism/Cheating:

1st Offense: Student will be given an alt assignment/test. Initial grade entered as zero and replaced with alt. assignment/test for max of 70. Parent phone call and teacher consequence.

2nd Offense: Student will be given an alt assignment/test. Initial grade entered as zero and replaced with alt. assignment/test for max of 70. Parent phone call and discipline referral.

Progress Reports: Progress reports are emailed/mailed to parents after the third week of the six weeks grading period. Teachers are required to send progress reports for students who are not passing the first three weeks of each grading period. Contact the individual teacher should questions arise.

Report Cards: Report cards are emailed to parents by the District at the end of each six weeks grading period, to the address provided at the time of registration.

Honor Roll: Honor rolls will be determined by students' grades for the respective six weeks.

A Honor Roll
A/B Honor Roll

PAWS For Fun Day: Students will have the opportunity to attend this on-campus event once every six weeks as a reward for passing grades, good attendance and minimal discipline concerns.

EXCEL: Weekly tutoring and study hall time is built into the schedule four days a week during 6th period to provide academic support for students.

Tutoring Schedule:

- Monday – SEL and Gnasher News
- Tuesday – ELA/Spanish
- Wednesday – Science
- Thursday – Math
- Friday – Social Studies

Student Success Initiative:

The Student Success Initiative (SSI) was created by the Texas Legislature to ensure that all students receive the instruction and support they need to be academically successful in reading and mathematics. Under the SSI grade advancement requirements, students are required to pass the STAAR grade 8 reading and mathematics tests to be promoted to ninth grade. Eighth grade students have three opportunities to pass the reading and math tests. If a student does not pass one or both tests, the student will be given additional instruction after each testing opportunity. Parents will be notified if their child does not pass a STAAR test that is required for promotion. For more information, see: www.tea.state.tx.us/student.assessment and select the Student Success Initiative.

PHYSICAL EDUCATION

Promotion, Retention, and Placement: A student shall be promoted from one grade to the next on the basis of academic achievement. A middle school student must have an overall average of 70 or above for all classes enrolled, as well as an average of 70 or above in at least three of the following subjects: Language arts (including reading, if required), mathematics, social studies, and science.

School Records: A student's records are confidential and are protected from unauthorized inspection or use. A cumulative record is maintained for each student from the time the student enters the District until the student withdraws or graduates. This record moves with the student from school to school. By law, both parents, whether married, separated, or divorced, have access to the records of a student who is under 18 or a dependent for tax purposes. A parent/guardian whose rights have been legally terminated will be denied access to the records if the school is given a copy of the court order terminating these rights.

Schedule Changes: Request for a course selection change should be made through the grade level counselor. Due to staffing restrictions, it may not be possible to honor all schedule change requests. If an emergency exists, contact the appropriate grade level counselor. ***Schedule change requests can be made within the first ten days of school for one or both semesters. However, "change of mind" requests will not be made.***

Textbooks: Students are responsible for textbooks issued to them. Textbooks are to be kept covered, clean, and handled carefully. Please make sure the student's name, grade, and teacher's name are written on the book label, in case the book is misplaced. A replacement fee will be charged for lost, stolen, or damaged books.

Library Services: Students are encouraged to use the library. Students may use the library before or after school, and during lunch but they must get a pass from a teacher or the Librarian to use the library during these times. Books may be checked out for two weeks. A replacement fee will be charged for lost, stolen, or damaged books.

The State of Texas requires that all students take physical education. Students will be required to purchase a standard uniform of black shorts and a school T-shirt. The PE department will provide information regarding the purchase of the items. The student must also provide appropriate shoes and socks. If a student is to be excused from physical education because of illness, he/she must bring a written note from the parent/guardian or physician. A doctor's note is required to excuse participation beyond three days. Students who are unable to participate in PE will be required to complete an alternative written assignment. Information regarding athletic guidelines and policies can be obtained from the physical education department.

Specialized PE courses, as well as dance, band, etc. may have additional costs.

MEALS AND SNACK POLICIES (GMS is a nut-free campus)

Cafeteria: The cafeteria serves both breakfast and lunch. Breakfast is served between 7:50 and 8:10 AM. There are three lunch periods. Students may purchase lunch or bring lunch from home. Prepayment to a lunch account may be made at www.schoolcafe.com. The cafeteria does not accept personal checks. ***Students who eat lunch off campus with a parent and return late to campus will be given an unexcused tardy or absence depending on the time of return.***

Foods of Minimal Nutritional Value (FMNV): Public schools are no longer allowed to serve, sell, or give away foods during the school day, which the State of Texas has ruled, are foods of minimal nutritional value. All food items dispensed to public school students must meet strict state criteria for nutritional value. Students may bring food from home that is considered FMNV, but they may not share this food with other students.

It is District policy that parents may no longer send foods for parties and birthdays. Please see policy for visitors and lunch procedures on page 12.

National School Meal Program: AISD participates in the National School Meal Program and offers free and reduced-price meals based on a student's financial needs.

Information about this program can be obtained from the school office.

FIELD TRIP POLICY

Students at Gorzycki Middle School have the opportunity to participate in a number of educational and extra-curricular field trips throughout each school year. It is the goal of our school's administration and faculty to include as many students as possible in these school-

sponsored trips. It is also important to understand that field trips are a privilege and students must meet certain guidelines in order to participate. The following guidelines are general school-wide policies for all school sponsored field trips. These guidelines, as well as any additional guidelines established by the group sponsor(s), will be used in determining whether a student may participate in the activity or trip.

Responsibility:

Students must meet the established deadlines for returning field trip materials such as fees, transportation waivers, medical forms, etc. Students must clear all school obligations (overdue library books, lost textbooks, etc.) and provide written documentation that the obligation has been cleared to the trip sponsor by the established deadline.

Field Trip Participation:

Eligibility for field trips is based on UIL rules. Students will be held to the following criteria:

-Students must demonstrate acceptable behavior. Behaviors that result in in-school suspension (ISS), suspension, or removal from school may be grounds for the loss of fieldtrip privileges;

-Students must pass all classes the six weeks prior to the fieldtrip with a 70 or higher. Students who fail any classes the previous six weeks are required to have no "failing" progress reports during the six weeks of the fieldtrip.

-Students must meet the state mandated 90% attendance rate for the school year (usually not more than 18 days for year-long classes and 9 for semester classes).

-Administrators will make the final determination regarding loss of fieldtrip privileges.

Incentive Field Trips:

"End of the year" field trips are offered as incentives for students to encourage them to maintain their grades and appropriate behaviors through the last six weeks of school. Students not meeting expectations will not be permitted to attend these trips. They may, however, have opportunities to participate in other ***"end of the year" celebrations.***

Trip Expenses:

Some of the trips that students will be able to take will have expenses that must be paid in order for a student to participate. Parents will be notified, well in advance, of any expenses that

may be required. For those situations in which this cost may cause a hardship, please notify the group or grade level sponsor *in writing* of your need. Many times optional arrangements can be made. No student should feel excluded from an activity due to a financial situation.

In situations in which a student has paid for a trip but is not able to attend, **no refunds will be made**. Often, these trips must be paid for months in advance and it is not possible to get a refund from the company involved.

DISCIPLINE

GMS encourages students to be responsible and to follow school rules. Teachers and/or teams will develop class rules and send them home to review. Students will also be asked to review the District's Student Code of Conduct and sign that they understand and will comply with the rules. Areas of specific importance are:

Acceptable Use Policy: Access to the District's electronic communications system, including the Internet, shall be made available to students exclusively for instructional purposes and in accordance with AISD regulations. **Access to the Internet at school is a privilege, not a right.** Abuse or misuse of the school's computers or internet system may result in sanctions with regards to access and use. This includes loading inappropriate information onto school computers or accessing school systems/information that is considered off limits for student use.

Assemblies: A student's conduct in assemblies must meet the same standard as in the classroom. A student who is tardy or who does not abide by school and District rules of conduct during an assembly will be subject to disciplinary action. Students are expected to attend assemblies and sit with their class. Once a staff member addresses the group by saying "good morning/afternoon," students should immediately stop talking and give the adult their attention.

Drug and Alcohol Abuse: Any student, who intentionally sells, gives, possesses, uses, or is under the influence of illegal drugs, prescription drugs, or alcohol in or on school property, including buses, shall be subject to (1) removal from school and (2) being reported to the appropriate law enforcement agencies for possible legal action.

- **Smoking:** The use and/or possession of tobacco or vaping products and paraphernalia are prohibited. Any student who violates this rule is subject to removal from school. The rules apply at the bus stop, on the bus, on the school campus, and AISD property during the school day and at any school activity before or after school. In addition, parents and other adults may not smoke on any AISD property or at any AISD sponsored event.

Public Displays of Affection: All students are prohibited from engaging in public displays of affection anywhere on campus or at campus sponsored events. (Some examples: holding hands, hugging, kissing, or sitting in someone's lap.)

Harassment/ Bullying: **Bullying occurs when a student or group of students engage in written or verbal expression, expression through electronic means, or physical conduct that occurs on school property, at school-sponsored or school-related activity, or in a vehicle operated by the District that has the effect or will have the effect of physically harming a student, damaging a student's property, or placing a student in reasonable fear of harm to the student's person or of damage to the student's property; and is sufficiently severe, persistent, and pervasive enough that the action or threat creates an intimidating, threatening, or abusive educational environment for a student.** Gorzycki Middle School is a "Bully-Free Zone" and no bullying or harassment of students is tolerated. Students shall not engage in harassment motivated by race, color, religion, national origin, sexual orientation, gender, or disability and directed toward another student. Students shall not engage in bullying. Students shall not engage in sexual harassment toward another student or District employee. Students shall not commit dating or sexual violence toward another student. Any reports of this type of behavior will be thoroughly investigated by the campus administration and/or campus police officer. A substantiated charge of harassment or bullying against a student or District employee shall result in disciplinary action. Students and parents should report any incidents of these types of behaviors to the campus administration immediately. For additional information on prevention or to access forms to report bullying please visit the district website at <http://www.austinisd.org/respectforall>

Zero Tolerance: In AISD, zero tolerance means that if a student violates the Student Code of Conduct (which also incorporates state and federal law), the behavior will be addressed. The intervention or disciplinary action will be based on the seriousness of the offense, the student's age and grade level, the frequency of misbehavior, the student's attitude, whether the student was acting in self-defense, the effect of the misconduct on the school environment, and requirements of law.

STUDENT SEARCHES AND SEIZURES

Purses and backpacks: Student purses and backpacks brought to school are subject to reasonable search by a school official when he or she has reasonable grounds for suspecting that a search will turn up evidence that the student is violating or has violated a student code of conduct rule, a school rule, or the law. **Parents should remind students not to bring items to school that are in violation of the Student Code of Conduct (guns, knives, weapons, drugs including over-the-counter medications, cigarette lighters, vaping devices, etc.) Purses and backpacks are not allowed in the classroom once lockers have been issued.** Purses and backpacks must be kept inside the student's locker during the school day. Students are not allowed to carry backpacks and purses in the building after the first tardy bell.

School Lockers: School lockers are school property and as such may be searched periodically for contraband (i.e. illegal items) and for overdue or missing books or stolen items. Since the lockers are school property, the student and parent are on notice that there is a diminished expectation of privacy in the use of the lockers. **Stickers, glue and other adhesives are not to be used on school lockers (magnets only).** Locker decorations should only be done by school clubs/organizations and should be pre-approved by administration. **Highly valuable items and those with sentimental value should remain at home as the school is not responsible for the loss or theft of such items.** Any contraband found will be confiscated and the student will be subject to disciplinary action.

EXTRA CURRICULAR ACTIVITIES

All students are encouraged to participate in a clubs, organizations or activities which appeal to individual interests. One of the most important aspects of the middle school experience is a sense of connection with something outside of yourself. Participation in a school sponsored club, organization, or event is one of the best ways to gain a sense of belonging, experience success or a sense of accomplishment, and demonstrate school spirit. **As an inclusive campus it is important that all students have access to these opportunities. Scholarships are available for students through the counseling office should costs associated with some of these activities (including fundraisers) be prohibitive.**

Student clubs and performing groups may establish rules of conduct and consequences for misbehavior that are stricter than those for students in general. If a violation of the organization rules is also a violation of school rules, the consequences specified by the school shall apply in addition to any consequences specified by the organization. **Students must attend school for at least four periods the day of an event to be eligible to participate.**

UIL Eligibility Requirements: All extra-curricular activities must follow requirements as set forth by Texas Senate Bill 1. In order to participate in extracurricular activities during the first six weeks, the student must have been promoted to the next grade level. To remain eligible, a student must maintain a passing grade in all subjects. This includes all participating athletes, cheerleaders, managers, band performers, club members, etc. A complete set of guidelines, including information on regaining eligibility is on file in the school office. (Page 37 in Student Code of Conduct)

Expectations for Athletic Events, Extracurricular Activities, Clubs and Organizations

- Student behavior at school sponsored events is governed by the AISD student code of conduct. All rules, including dress code, that apply during the school day, also apply at these events.
- Students attend athletic events for the purpose of cheering on the Tiger Athletes, therefore, students are expected to sit and watch the game and show support for our team.
- Students should not be wandering or loitering in the hallways at the volleyball and basketball games or standing on the track at

the football games. Students are expected to sit in the bleachers and watch the game. Students who violate this rule will be asked to leave.

- **NO food or drinks are allowed in the gym.**
- Once students have exited the building during an event at Gorzycki, they should not come back into the building.

Conclusion of Activities: **Students need to be picked up within 10 minutes of the end of an activity.** Teachers sponsor many of these after school activities and it creates a hardship on them when they must wait with students when parents are late. It also creates safety concerns. ***If a parent or guardian fails to pick up their student, AISD Police and a school administrator will be called. Late pick up or failure to pick up may result in students being denied the privilege of attending upcoming after-hours events.***

Athletics: By policy, only 7th and 8th graders are permitted to participate in AISD/UIIL athletics. 6th graders may participate in school club sports. Before a student is permitted to attend practices his/her parents must read, sign, and return a variety of forms which include a physical, insurance waiver, and parental permission for participation. Students who have reached their 14th birthday before September 1st of the present school year are ineligible to participate on 7th grade teams. Students who have reached their 15th birthday before September 1st of the present year are ineligible to participate on 8th grade teams.

School Dances: School dances are provided for students. No guests or visitors are allowed at school dances. Students may not attend a school dance or social event if they:

1. Are suspended or removed any day the week of the dance.
2. In ISS the week of the dance.
3. Have financial obligations to the school.
4. Are absent the day of the event.
5. Students may not attend dances out of dress code.

IMPORTANT THINGS TO KNOW

Change of Address or Telephone Number: Parents are required to submit **to the registrar in the office** a change of address or telephone number. An updated utility bill with the current address must be provided as proof of residency.

All parents/guardians should give a telephone number where they may be reached during the school day.

Fire, Tornado, and other Emergency Drills:

Students, teachers, staff, volunteers, and visitors shall participate in frequent drills of emergency procedures. When the alarm is sounded, students **must** follow the directions of the teacher or staff member quickly, quietly, and in an orderly manner.

Appropriate Dress Guidelines:

Gorzycki Middle School students will adhere to the AISD Dress Code Policy approved in 2004. The goal of these guidelines is to ensure a safe, respectful, and positive learning environment and to model good citizenship. All clothing should be appropriate to the student's age, school setting, and weather conditions. Modesty will be the dominant feature in all clothing. Both students and parents share the responsibility for the student's attire, however the campus administrator has the final authority concerning appropriateness of any item worn at school. This includes hairstyles, jewelry and other accessories.

The District provides a Middle School dress code for all AISD campuses, and students will be expected to comply with the District's code. Exceptions may be made for students with IEPs.

Gorzycki Middle School Dress Guidelines for students:

- Hats, hoods, and head coverings are worn for weather protection or religious observances only.
- All undergarments are completely covered and not to be worn as outer garments.
- Torso, front and back, is completely covered.
- See through clothing is accompanied by an opaque undergarment.
- No strapless shirts
- Clothing, jewelry, medallions, patches, or designs on clothing should not reflect or suggest drugs, alcohol, tobacco, profanity, sex (including innuendos), or other distasteful language/gestures, or that create a hostile/intimidating environment.
- Anything deemed disruptive or unsafe are prohibited.

Students who fail to follow these dress code guidelines will be asked to change into more

appropriate attire. In some cases, the school will provide a shirt and/or pants to a student, if a parent is not able to bring alternative clothes to school for the day.

HALL LOCKERS: QUESTIONS AND ANSWERS

When will I get a locker? Lockers are issued to students at the beginning of the year after all necessary forms are completed and returned to the office.

How do I get a lock? Students receive a combination lock from the school for their hall lockers. A locker will not be assigned until the lock combination is on file with the office. School locks can be opened with a special key if there are combination problems. Non-school sanctioned locks will be removed from the lockers necessitating the procurement of a new school lock by the student.

Can my locker be searched? Lockers remain under the jurisdiction of the school even when assigned to an individual student. The school reserves the right to inspect all lockers. Searches of lockers may be conducted at any time there is a reasonable cause to do so, whether or not the student is present. The school will conduct locker checks several times during the school year. (See page 8).

Sharing or switching lockers without administrative approval is prohibited.

Is my locker a safe place to keep things? A student has full responsibility for the security of the locker and is responsible for making certain it is locked and **the combination is not available to others.** **You should not bring valuable items to school or large amounts of money.** (See list of things to be left at home.) Each student is responsible for keeping his/her assigned locker clean both inside and outside.

Where do I keep my backpack or purse? Due to safety concerns, backpacks and purses will not be allowed in the classroom once lockers are assigned. Backpacks and purses must be kept in the student's locker until the 3:40 bell. Backpacks with wheels are difficult to manage and do not fit in our lockers and are therefore, not recommended. (See page 8).

When can I go to my locker? Students will have access to their lockers between classes. Access to lockers after school hours will not be allowed except in extreme emergencies. Be

sure you have everything you need when you depart for home.

MISCELLANEOUS

Immunization: All students must be immunized in order to attend public school. If students do not have the proper immunizations, they will be sent home and possibly withdrawn from school. A copy of the student's immunization records that have been verified and signed by a physician are required documentation. Complete information regarding required immunizations is available at the following website:

www.austinvaccinates.org.

If there is a conscientious objection with the requirement that the student be immunized, please contact the Texas Department of Health to obtain the appropriate documentation. If there is a medical reason a student may not be immunized, a written statement by a U.S. licensed physician is required.

Medication: If it becomes necessary for any student to take **any form of medication** at school, including over-the-counter medicines, a signed note from a parent must be presented to the Nurse's office staff. Please identify the medicine, tell why it is being taken, and when the last dose is to be given. The medication must be in the original container and must be labeled with the student's name and the name of the medication. The bottle must specify age-appropriate information (i.e. 11-year olds may not take medications listed for 12 -years old and above). **All medication will be kept and dispensed through the nurse's office. Please remember to lock your bike.

Bus Riders: Riding the school bus is a privilege.
